Dance My Heart Out

One shot, one moment, one dance, is what you get to prove the woman of your life that you are the right one for her. This is what "Dance my heart out is about", you have one thing to do, now go!

Dance My Heart Out

Before the night is done
I'll shed some light on you
Before this night is gone
I'll shine my light on you, light on you
whohoo

I give myself to you
Want you to teach me slow, teach me slow
I give myself to you
I want to learn it so, learn and

Dance my heart out
while everybody scream and shout
I dance my heart out
Cause this is what it means to me

We move around like flames
We are shape, shimmer and beat,
shape, shimmer and beat
The pulse is in control,
then we decide to go, decide to

Dance my heart out
while everybody scream and shout
I dance my heart out
Cause this is what it means to me

Who hoo hoo
Dance my heart out
while everybody scream and shout
I dance my heart out
