Pockets Filled With Gold

In this old western universe of a song a man struggles to find the balance between finding more gold while risking losing his loved one staying back home waiting. After battling his demons he finds calmness and clear vision in managing to restrain himself, a foundation that brings him back to his beloved in the darkest of nights.

Pockets Filled With Gold

I don't know, I don't know, I don't know
when to go, when to go, when to go
back home, with pockets filled with gold

It is hard, it is hard, it is hard
to say goodbye, say goodbye, say goodbye
to you, I'm fighting for your love

I will ride my horses in the dark
Knocking all of them demons out of the park
And I know and I know I and I know
I can float, all on my own
