## *Lions And Ghosts*

"Lions and Ghosts" summons both good and bad to have their say around the campfire. In the darkest hour you take all the help you can get, but it is through dignity and progress we honor the ones we miss.

### Lions And Ghosts

Saviour build a fire  
So I can feel your heat while I talk to you  
You know what to do

Brother in tongues of flame  
We are singing now but the drums are low  
And there's no where to go

I fight with my lions  
I fight with my ghosts  
When we're not together I gather them both

I fight with my lions  
I fight with my ghosts  
By flames and legends I gather them both

Keep on, the day will soon come  
When you will be gone  
but the drums are low and there's nowhere to go

I fight with my lions  
I fight with my ghosts  
By flames and legends I gather them both

I fight with my lions  
I fight with my ghosts  
When we're not together I need 'em both

I fight with my lions  
I fight with my ghosts  
When we're not together I need 'em both
