WAKPAMNI LAKE

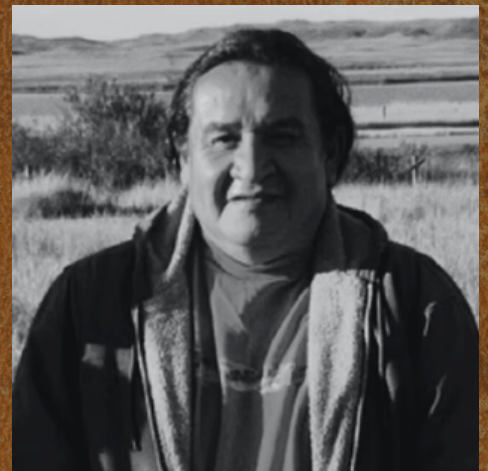

A dedication to Sidney Has No Horses

Sidney Has No Horses

From the Oglala Sioux Tribe, South Dakota.

Together with Jay Coates, Martine and Nils Jørgen visited the Oglala Lakota land in 2018 and stayed in the home of the spiritual adviser and ceremonial leader, Sidney Has No Horses.

This man really was a huge inspiration and there were told so many exciting stories during this time. Some of the stories had deep connections to the lake, "Wakpamni Lake", close to his home. In this song you can almost feel the spirits watch you from around, see the roaring wind cleanse the air, and hear the singing and dancing of the old ceremonies that is still a deep core of the Oglala Lakota People. Sidney is the great grand son of Chief Frank Fools Crow.
